SOUTHERN RIGHT SAUVIGNON BLANC
| HEMEL-EN-AARDE |

BOTTLE GLASS

This wine exhibits the typical Southern Right balance of "Old World" minerality and length with hints of "New World" palate coverage and body. A significant percentage of fruit from iron and clay-rich soil has added a mid-palate structural component and additional overall complexity to this wine. The Sandstone soils have contributed their typical bright, tensile character and a marked minerality.
