EXPERIENCES

MONT CHOISY LE GOLF

Only five minutes from Mystik, you will find this scenic, 18-hole golf course by Peter Matkovich. The course features Mauritian landscaping, natural sand hazards that blend seamlessly in the grassy surroundings, ponds and other water features, as well as black volcanic “outcrops” that all work together to create a tranquil and rather unique setting.

MONT CHOISY BEACH

One of the many beaches situated in the Pamplemousses district, Mont Choisy Beach is set on Mystik’s doorstep, near the village of Grand Baie and is in fact the longest beach in the north of Mauritius, at approximately 2 km long. It is strikingly beautiful with white sand, lined with thousands of casuarina trees, and turquoise waters where a variety of sports can be enjoyed.

WATER SPORTS

An island getaway wouldn’t be complete without water sports, whether you are the adventurous type who loves an adrenaline rush or the kind to watch the action from the comfort of your beach lounge. There is a wealth of water activities to be enjoyed at Mont Choisy Beach, from kayaking and windsurfing to scuba diving and deep-sea fishing, among a host of others.

HIKING ADVENTURES

Mauritius may be known for its beaches, lagoons and reefs, but its hiking trails are strong contenders. There are many hikes, some in parks and reserves, offering spectacular views of mountains, valleys, waterfalls, the ocean, and other wonderful scenery. Some are quick and easy, while others are strenuous, requiring good fitness levels, and can last hours to the whole day. We recommend going with a trained local guide who can add value to your hike and advise you on safety precautions.

CULTURAL EXCURSION

This intriguing tour takes you on a journey on which you will discover architectural mastery displayed at various churches, temples, pagodas, and mosques. You will catch a glimpse into the island's cultural diversity, as well as insights into different traditions and customs practised in Mauritius.

SHOPPING & NIGHTLIFE

Just five to ten minutes away from Mystik, Grand Baie is home to a variety of amenities from shopping malls and restaurants to bars and nightclubs, as well as activity hubs like a cinema and bowling alley, among others. Grand Baie is a cosmopolitan village with plenty to offer for a vibrant visit to the island. We recommend travelling via taxi rather than on public buses.

More information is available via Newmark's reservations team or a receptionist at Mystik.

WEDDINGS

Intimate destination weddings, including only the couple or a small group of up to ten people in total, can be held alongside the infinity pool, with views of the ocean as a backdrop, for a stunning island-style occasion.
