Guests can enjoy memorable experiences such as scenic helicopter flights, game walks, cheetah tracking and stargazing. The reserve further affords guests easy access to a range of attractions as it is set in proximity to the historical town of Graaff-Reinet, Nieu Bethesda and the breathtaking Valley of Desolation.

ACTIVITIES

GUIDED TOURS

A stay at Mount Camdeboo includes two game drives per day (averaging about three hours each) at optimal wildlife viewing times, namely: pre-dawn and sunset. The vehicles used on the reserve are purpose-built, nine-seater game viewing Land Rovers. They are SABS safety approved and are equipped with seatbelts, a shade canopy and drink holders. Given that the Camdeboo Manors are nestled in a valley, the game drives typically start with a breath-taking climb up the mountain slopes and onto the plateau above where the animals graze and where the world unfolds at guests' feet.

Guided bush walks offer an alternative to a normal game drive, subject to the whole vehicle opting to walk.

HISTORIC WAR SITE

Visits to a historic war site where the pivotal 'Battle of Paardefontein' was fought are offered at Mount Camdeboo. It is here that the famous Commander, Johannes Lotter was captured. During one of the game drives, our knowledgeable guides will gladly share the full story and other historic facts this incredible open landscape offers.

EVENING ACTIVITIES

Guests can opt for a night drive depart after sunset for the chance at beholding some of the lesser seen nocturnal creatures such as Aardvark, Genet, Aardwolf, Caracal and Bat eared foxes. The experience is rounded off with an introduction into the night skies of the Karoo, constellations lighting up above the deserted landscape.

SPECIAL OCCASIONS

EVENTS

Mount Camdeboo offers an outstanding conferencing solution, whether the aim is to inspire, incentivise, or to break away from the hustle and the bustle to strategise for the months ahead. The tranquil setting, vast open space and a variety of activities allow business people to get the best out of their teams and host a memorable work event away from the boardroom.

WEDDINGS

A wedding at Mount Camdeboo is a romantic and relaxed experience where the bridal couple can focus on their special day while the Mount Camdeboo team takes care of the arrangements. Ideal for intimate weddings, this location offers a unique setting in which couples can exchange their vows and celebrate one of the most important days of their lives.

LOCATION

The Great Karoo is considered a semi-desert region. Arid air and cloudless skies are typical of this area, as are great heat and frosts. Daytime is typically warm, while night-time and early mornings can become cool, even in summer months. This climate results in a very particular landscape, dotted with xerophytic vegetation. The topography on Mount Camdeboo is however quite different, boasting lush valleys, due to its location at the foot of the Sneeuberg.
